Ground Broken for New Addition to Methodist Church During Ceremony

Service Follows Quarterly Conference Led By Superintendent

With fitting ceremony ground was broken Sunday afternoon for the new \$43,000 addition to the Methodist church.

Participating in the event was Dr. Weldon Bradburn, district superintendent, who officiated at the quarterly conference that followed it.

Members of the church over 21 years of age participated in a congregational meeting at the start in authorizing the official board to borrow money to add to the amount pledged to cover the cost of the improvement.

At the conclusion of the meeting the members and guests went to the rear lawn where the ground breaking solo, "God of Our Fathers," playing took place.

The program opened with a trumpet by David Cain. The audience participated in the singing of "Onward Christian Soldiers," and a responsive reading led by B. G. Guillaume. Prayer was offered by Dr. Bradburn.

Mr. Frank Spangard, chairman of the building committee turned the first shovel of dirt for the new addition. Also participating in the actual ground-breaking were Mrs. Warren Henslee and Mrs. Loyal Sittler, both widows of recent ministers of the church. Ground was also tured by other members of the Building Committee, Mrs. Elmer Hunter, M. C. Cain and Bernard Guillaume.

The ceremony included trumpet music accompaniment for singing by David Cain, Responsive Reading led by the Lay Leader of the church, Mr. Bernard Guillaume, the prayer, led by Dr. Bradburn and brief remarks by Dr. Bradburn and the minister.

Quarterly Conference
Following the ground-breaking ceremony the church held its annual fourth quarterly conference under the direction of Dr. Bradburn. Reports were given by Mrs. M. C. Cain, president of the W. S. C. S.; Mrs. Richard Scott, adviser for the High School M. Y. F.; Elmo Smyth, adviser for the Intermediate M. Y. F.; M. C. Cain, superintendent of the church school; Russell Barnstable, treasurer of the church; George Good, treasurer of the building fund; M. R. Kruzan, president of the Men's club; Elmer Baethke, chairman of the auditing committee.

Officers Elected
The Quarterly Conference concluded with the election of officers for the coming year and the report of the Pastoral Relations Committee. (Continued on page 6)

H. A. Fiegel, 70

Buried Wednesday

Herman A. Fiegel, 70, Wilmet, Wisconsin, died June 4 at 5:15 a. m. at his home, following a lingering illness. He was born March 1, 1881 at Pudlitz, Germany, coming to the United States with his parents at the age of 3, settling at Dover, Wisconsin. He spent the past fifty years in Randall Township. He was a member of Peace Evangelical Lutheran church. He was a retired farmer. Survivors include his wife Helen, two sons William, Park Ridge and Adolph, Silver Lake; two brothers Otto, Spring Grove and Frank of Twin Lakes and four grand children. Funeral services were held Wednesday at the Peace Evangelical Lutheran church in Wilmet, the Rev. R. P. Otto officiated at the service. Interment was in Wilmet cemetery.

Schools Close for Summer With Appropriate Services For Boy-Girl Graduates

Antioch school children turned from books to play and work for three months with the close of school last week.

Sixty-two high school seniors became alumni in a service last Thursday night during which the speaker, Paul M. Bolman, pastor of the Oak Park Christian church told them they are now on their own responsibility to make a success or failure of their lives.

St. Peter's grade school graduated 16 pupils Sunday in a service at which the Rev. Francis M. Flaherty and his assistant pastor, the Rev. Francis Gilbride officiated.

Village to Buy Squad Car After Many Years' Delay

Antioch will soon have a police car.

The village board Tuesday evening authorized publication of a notice for bids to be returned on June 18 in the purchase of a suitably equipped sedan.

Purchase of a squad car was delayed for many years by those who felt that unless there was a sufficient number of patrolmen the car would be useless.

Police Chief Walter I. Scott has used his own car to an advantage and now the board plans to supply him a car. Other villages in Lake county of Antioch's size have had squad cars for several years.

The board transacted very little other business at its meeting. It gave \$230.67 to buy equipment for the boys' Little Baseball league, selected both banks and depositories; and agreed to place stickers supplied by the Illinois Bell Telephone Co. on construction permits warning of possible damage to underground cable in digging.

Village Slightly Richer This Year Than in 1950

Treasurer's Report Says

The village had \$1,047.51 more on deposit at the end of the fiscal year April 30 than for the corresponding time last year but there was red ink in the firemen's fund.

The report of Treasurer Martha Hunter shows that with \$20,056.69 carried over from last year, receipts of \$47,080.10 and disbursements of \$46,032.59, the amount of cash on hand at the start of the fiscal year, May 1, was \$21,104.20.

Her report showed as of June 1, \$9,826 in the general fund; \$5,617.79 in the road and bridge fund; \$1,302.15 in the parking meter fund; \$3,064.75 in the sewerage depreciation fund; and \$1,271.79 in the park fund. The firemen's fund was \$150.54 in the red.

Lakes Overstocked With Fish; Year-Round Open Season on Bass Foreseen

Indications are that a year-round season on bass fishing will be declared by state authorities in the near future.

Crowded conditions to the waters has stunted the growth of that variety and to thin the bass out, fishermen will be allowed to take them even in the spawning season, it is said.

Helping to reduce the large number of bass and pan fish keeping a balance are the pickers who are increasing in the Chain O' Lakes area.

Just as land will provide but so many bushels to the acre, water will suffice for but 300 pounds of fish to the acre.

Antioch lake is an example of overcrowded conditions. Because of the small size of the fish, only a few persons fish there. The result is that as the numbers of fish increase they grow smaller.

When the lake was first made (artificially) the crappies, supplied by much food, grew to large size. Restriction on fishing gave them a chance to multiply many times. They became extremely stunted then for lack of food.

Bass were put in to feed on the crappies. Now they are small, and pickers are needed to reduce their number.

What the lakes here need is an abundance of fishing this year to thin them of fish, and fishing is good, said E. C. Cooney of the State Conservation department at Lake Villa.

Frugality Revealed in Parking Meter Deposits And Year's Water Bills

Antioch residents and visitors are a little more careful in their spending this year village receipts show.

Two years ago nickels exceeded pennies in the parking meters but this year the opposite is true. Receipts from parking meters were approximately \$1,000 less this year, according to the report of Treasurer Mrs. Martha Hunter.

Snows that prevented use of the meters were said to be part of the cause.

Receipts from the sale of water were likewise down \$1,000 as housewives watched their use of the metered product.

Republicans Win Four Circuit Court Offices, Lose High Court Job

Precinct Three of Antioch Goes Democratic, But Others GOP.

Justice Walter V. Schaefer, Lake Bluff, appointed to the Illinois supreme court by Governor Adlai E. Stevenson to fill an unexpired term, was elected to that body in Monday's court elections.

Chicago supplied sufficient ballots to offset the more rural areas in the seventh district to elect Schaefer, a Democrat, over Circuit Judge Julius H. Minor, Chicago, Republican.

In the 17th judicial district all four Republicans were elected to the circuit court bench. They are Berard M. Decker, Waukegan attorney; Judge William Carroll, Woodstock; Judge William R. Dushner, Rockford; and Albert S. O'Sullivan, Belvidere.

Defeated were Atty. Jack Baird, Waukegan Democrat; and Atty. Carl A. Swenson, Rockford.

Antioch township gave its usual Republican majority, although precinct 3 turned in a slight Democratic margin. Baird, Democrat ran ahead of his ticket in all precincts. Voting was not especially heavy.

In Lake County, 16,182 ballots were cast with the Republicans claiming a 2 to 1 vote.

Elsewhere will be found Antioch township's votes by precincts. (Continued on page 7)

H. S. Message, Retired Nurseryman Dies of Heart Attack Tues.

Henry F. Message, 86, Antioch, died Tuesday, June 5, at 7 a. m. of a heart attack at the home of his daughter Mrs. William B. Hallwas, at Petite Lake. He was born September 20, 1864 at Hellingly, Sussex County, England, coming to the United States at the age of twenty-one, making his home in Chicago, until coming to Antioch fifty years ago. He was a retired nurseryman and farmer. Mr. Message operated a nursery at his farm south of Antioch, retiring several years ago.

Survivors include one son, Harry S. of Antioch; three daughters, Mrs. J. F. Paulsen; Mrs. Ernest Glenn, and Mrs. Hallwas, ten grandchildren and 1 great grand child.

Funeral services were held today, (Thursday) at 2 p. m. at Strang's Funeral home, with the Rev. G. Richard Tuttle officiating. Interment was in Hillside cemetery.

High School Teachers Plan Summer Vacation

Men teachers at the Antioch high school will all spend the summer at home. Maurice Kruzan, Warren Polley, Richard Scott, August Wickert, Elmo Edwards, Melvin Stillson, Hans von Holwede and Principal Richard Edmundson will all be in Antioch and Frank Perriague will go home to Green Bay, Wis.

Miss Carol Bean will study for her master's degree at the University of Colorado, Boulder, Colo., and Iris McKinney will study at the University of Illinois.

Narcissus Donovan will work at the Chain O' Lakes Country club. Miss Theresa Wehr has returned home to Terre Haute, Ind., and Miss Mae Hartley to Aledo, Ill. Miss Naomi Mieners has returned to Forreston, Ill., and Mrs. Jeanette Tulumel has joined her husband in Ontario, Canada.

Get That Tag Now—Say Police
Vehicle tags and dog tags were on sale in Antioch May 1 and unless local residents purchase them by June 15 they will be subject to a fine for violation of the village ordinance, Police Chief Walter I. Scott announced.

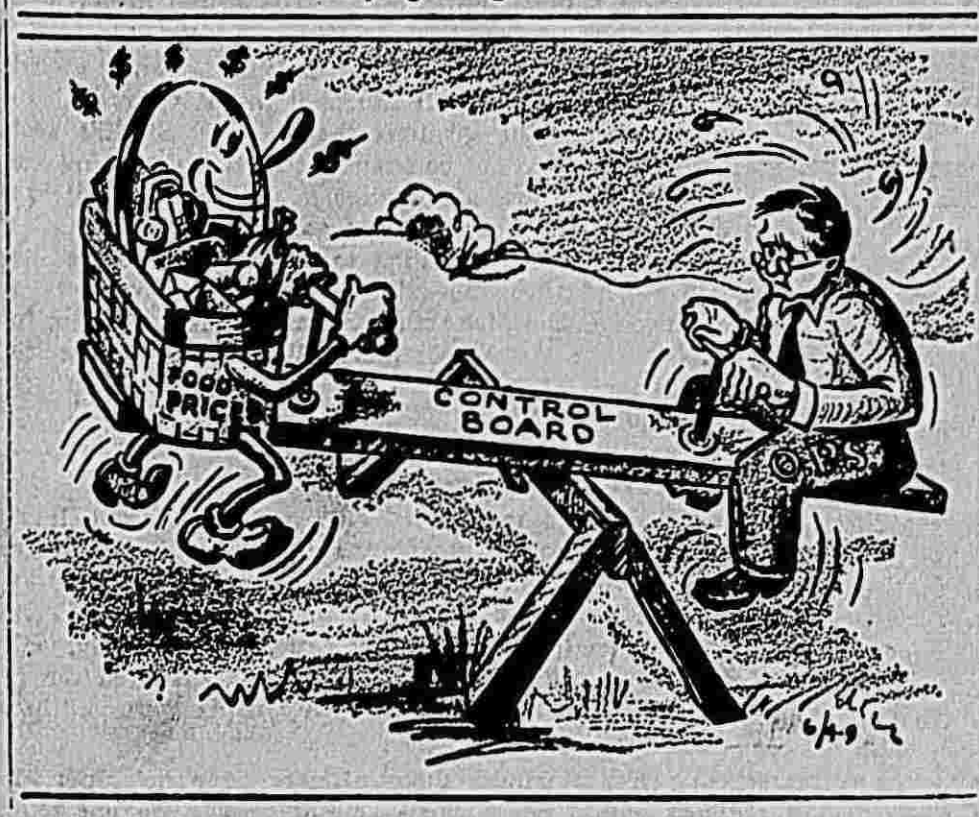

Tags may be purchased from the village clerk, Clarence Shultis, 271 Ida ave. Truck and passenger tags are \$5; female dog tags \$3 and male dog tags \$1.

Move to Keep Village Clean
Mayor James McMillen moved to make the village a little cleaner at Tuesday evening's board meeting.

At his suggestion the board voted to purchase a dozen receptacles to be placed about the downtown streets where people may deposit waste paper.

"They ought to keep the street from being littered," he said.

Keeping Things in Balance?

Play in N.I.H.S. League Will Start Saturday With Antioch Playing Hebron

The Northern Illinois High school baseball league play will get under way Saturday evening with Antioch High playing Hebron in a twilight game there starting at 6 p. m.

Coach Richard Scott has gathered his team together for practice on two nights this week in reconditioning them for play.

Several sophomores will join the squad, but it will be made up mostly of students who played through the spring series.

The first home game will be with Grayslake here next Tuesday evening. Barrington will play here at the 6 o'clock hour on the following Friday.

Speech Correctionist Employed for Antioch And Lake Villa Schools

The Antioch Township High school, the Antioch and Lake Villa grade schools have joined in hiring a speech correction teacher to divide his time among them.

He is R. Raymond Westerlund, Elmhurst, Ill., a graduate of Elmhurst college.

Two years ago the schools benefited some from a speech correctionist who served many schools in the northern part of Lake county, but last year none was employed.

With just the three schools involved, better attention is given those in need of instruction.

Principal Richard Edmundson, who made the announcement, said that a new librarian is all that will be needed in the high school next year. Miss Barbara Jane Duncan has resigned to study for her degree in library science at the University of Illinois next year. She will spend the summer in New York.

Mrs. Kantos Shares in Brother's \$49,500 Estate

Mrs. Pauline Kantos of this village will share in a \$49,500 estate left by her brother, Martin Donich, a grocer at Joliet, Ill., who died May 9, leaving no will.

The heirs besides Mrs. Kantos include Mr. Donich's mother, Anna, and a brother, Michael of Joliet; and a sister, Mrs. Mary Bohack, of Phoenix, Ariz.

Mr. Donich left \$12,000 in personal property and real estate valued at \$37,500.

Lions Plan Golf Tourney
The Antioch Lions club will have its dinner and golf tournament Monday, June 11, at the Chain O' Lakes Country Club. Golf will be played in the afternoon and the dinner will be served at 7:30 p. m. Sherman Canty of Mount Prospect will be the dinner speaker.

Lightning Hits TV Aerial
The fire department was called Friday to a residence south of Orchard Inn on Rte. 21 where lightning struck a television aerial. There was very little damage from fire but the lightning wrecked the television set.

Postoffice Moves
The postoffice was moved to its new location on Lake st. Sunday. Orders finally came through authorizing Postmaster Roy Kufalk to make the change. Now both the patrons and the employees have more room to get around.

Broadway, Not Orchard May Be New Site for Rescue Squad Building

Proposal to Place Station Next to Fire Barn Considered

Proposal was made to the Antioch Rescue squad by village board members Tuesday evening that it place its new building adjacent to the fire station on the south facing Broadway, and the squad is inclined to accept it.

The board previously gave the Rescue squad permission to use part of the lot on which the water works pumps are situated at Orchard st. and Broadway.

A petition was filed with the board, however, asking that the building be placed elsewhere than at the Orchard st. location. The squad sought to compromise by moving the entrance around on Broadway.

When Herman Holbek, captain of the Rescue squad, announced to the village board the proposed change, suggestion was made that the building be placed across the street between the fire station and the old Burgess battery building.

This suggestion made its appeal at once, and the building committee of the board was instructed to confer with the squad on the matter.

Suggestion was made that the Rescue squad connect its building with the fire station so that it could use the lower floor social room, but Holbek was cool to the idea.

Again on the basis of a 20-year lease, the building would revert to the village in event the Rescue squad disbanded.

Holbek said that as soon as the site is assured, the squad can proceed on its building fund campaign. While the organization now has a good nest egg, it doesn't have enough money to pay for the entire construction of the building.

Rev. G. Richard Tuttle To Obtain B. D. Degree; To Be Full-time Pastor

The Rev. G. Richard Tuttle, minister of the Antioch Methodist church will receive his bachelor of divinity degree at 3 p. m. Monday in commencement ceremonies at Cahn Auditorium on the Northwestern campus in Evanston.

For the first time since his coming to Antioch Mr. Tuttle will become the full-time minister of the local congregation. For the past three and a half years he has been enrolled at Garrett Biblical Institute, the Methodist theological seminary located in Evanston.

On Sunday Mr. Tuttle will join with other members of the graduating class at baccalaureate services in the First Methodist church of Evanston at which time President Horace G. Smith of Garrett will bring the message. Mr. and Mrs. Tuttle and members of the class will be guests of the president at a supper Sunday evening and of the Alumni at a luncheon on Monday noon.

It is expected that at the annual conference of the Methodist church on June 19 he will be reappointed for another year to the local church serving for the first time as full-time minister.

Plan Joint Workshop for Teachers Next Autumn

Plans were made Tuesday at Wauconda to conduct a joint workshop of the teachers of the Wauconda and Antioch township high schools before the opening of school next fall.

Principal Richard Edmundson, Maurice Kruzan, Elmo Edwards, Miss Iris McKinney and Miss Naomi Mieners of the Antioch staff went to Wauconda in conferring with Principal Richard Warfield and his staff on the plan.

There will be two days of the workshop, one held in Antioch and the other in Wauconda.

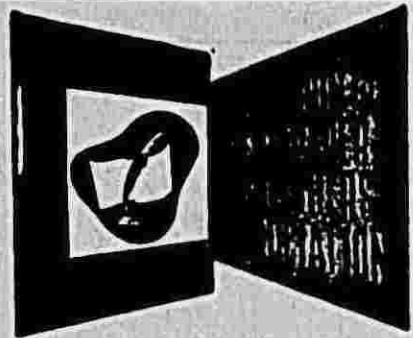

The Antioch Township Library recently received a handsome illuminated globe as a gift in memory of the late C. J. Roeschlein. Cradled in a gracefully designed thirty inch stand, the sixteen inch globe is lighted from within for ease in locating the Earth. The globe turns on its axis and also revolves on the ball bearings in our turbulent world.

The clear coloring of the map and the ease with which the globe can be studied from any angle receives many admiring comments from patrons of the library.

Economic Highlights

It is common for great debates to generate more heat than light. That is true of the great debate over foreign policy which reached its explosive stage with General MacArthur's removal. In many minds, the real differences have been obscured by a passionate emotional feeling. No one seems to feel objectively toward General MacArthur. People either enormously admire him or heartily dislike him.

Fortunately, the two main figures in the latest stages of the great debate, General MacArthur and Secretary Marshall, did not descend to the type of argument in which personal rancor dwarfs logic. Those who read the hundreds of thousands of words of testimony these two men gave before the Senate committee had a rewarding experience. Both of them are soldiers of the highest rank, prestige and accomplishment. Both have had wide experience outside the military sphere. Both are patriots with the finest motives. And both answered the almost endless list of questions put to them frankly, clearly and effectively.

Some people think that MacArthur and Marshall disagree about practically everything connected with the Korean war, Eastern strategy, and the world situation in general. This is not so. The area of disagreement is very much greater than the area of agreement. But where they do differ, and sharply, is over four extremely important and absolutely fundamental questions.

First, General MacArthur believes that intense air and naval action against the Red China bases would bring the war to an end in the foreseeable future. Secretary Marshall believes this might have small influence on the conflict for the reason that Red China offers few important targets and has no major industrial concentrations.

Second, while not overlooking the importance

of Europe, General MacArthur believes that Asia is the more important of the continents now, as it is here that the communists are making their bid for world supremacy. Secretary Marshall believes just the opposite—that Europe must come first and that nothing must be allowed to interfere with our military implementation of the North Atlantic pact.

Third, General MacArthur realizes the importance and desirability of allies, but thinks that, if necessary, we can and should go it alone in Asia. General Marshall believes it would be fatal to alienate our allies, most of whom seem to be willing to go to any length to avoid all-out war with China.

Last, but certainly not least, General MacArthur does not believe that attacks against Red China proper would necessarily lead to greater Russian intervention and the start of World War III on a global scale. General Marshall thinks it might very well do just that, on the grounds that Mao is Stalin's best friend and could not be abandoned without causing the U. S. S. R. to lose all prestige in nations where it has been making its most potent gains.

All the name-calling on one side, these are the issues—and these pose the questions that only time can decide. The MacArthur dismissal brought them to a head. The MacArthur-Marshall testimony, buttressed by the testimony of a few others, has taken them out into the open.

The Low Down From Hickory Grove

For a fine type of citizen who gets the least pats on the back, I doff my skimmer to the Highway Patrol. But if you are a heavy footed sort who figures you should allow nobody, black, white, or bronze to be ahead of you at any time, you will say, oh! yeh! But without the threat of being flagged down to decent speed by the highway officer, the killing would zoom even further.

For alertness these officers have no superior. They would not survive long if they were not top-notch—they handle some pretty tough and nasty specimens. All day long or all night long their job is to see to it that the citizens of your community can venture out upon the highway with reasonable chance of returning home alive. If you have not thought of it before, give a minute to pondering what it would be like without them.

What we need more of is more of these alert and fearless fellows—they are not out to make trouble, they are out to prevent same, nip it in the bud. Again, I doff my chapeau to all of them. And right here in Hickory, there is Cap Rutherford and in the next county, Cap Ellis—I am proud to know them, but pardner I sure would not choose to tangle with either. If I was courtin' trouble, I would get it plenty—and pronto.

Yours with the low down,
JO SERRA

HICKORY

Mr. and Mrs. Curtis Wells are receiving congratulations on a new grandson, born to Mr. and Mrs. Raymond Wells, of Antioch, in Victory Memorial hospital, in Waukegan, on Monday morning, June 4th.

Hickory school closed on Friday with a picnic at Fox River Grove. Wayne Finkel with a group of boys under the supervision of Mr. Dove from Gurnee, left on Saturday morning on a ten day fishing trip to Canada.

Wm. Hallada, of Port Washington spent Decoration Day at the H. A. Tillotson home. Mrs. Hallada and son, Vaughn, returned home with him after a 10 day visit here.

Mr. Oscar Finkel spent Thursday and Friday in Ann Arbor, Mich., on business.

Jerry Hunter spent Friday night with his friend, Roger Noothing, of Mundelein. Roger is home on a ten day furlough from Camp Breckenridge, Ky.

Mr. and Mrs. L. C. Dean and family and Mrs. Sarah Finkel of Chicago, were dinner and supper guests at Oscar Finkel home on Decoration Day.

Mr. and Mrs. Rudolph Novy and sons visited Mr. and Mrs. Frank Novy at Three Oaks, Mich., Tuesday night and Wednesday (Memorial Day).

Mr. and Mrs. Fred Leable visited Mrs. Ethel Bennett, in Kenosha Sunday afternoon.

Mr. Kenneth McNeil was in Detroit on business from Thursday until Saturday.

Mending Broken China

Broken china or glassware may be mended by dipping in melted powdered alum. Dip the edges in the alum while it is soft and then hold the pieces together with adhesive tape. Remove tape when the cement is hard.

Garnish Substitute

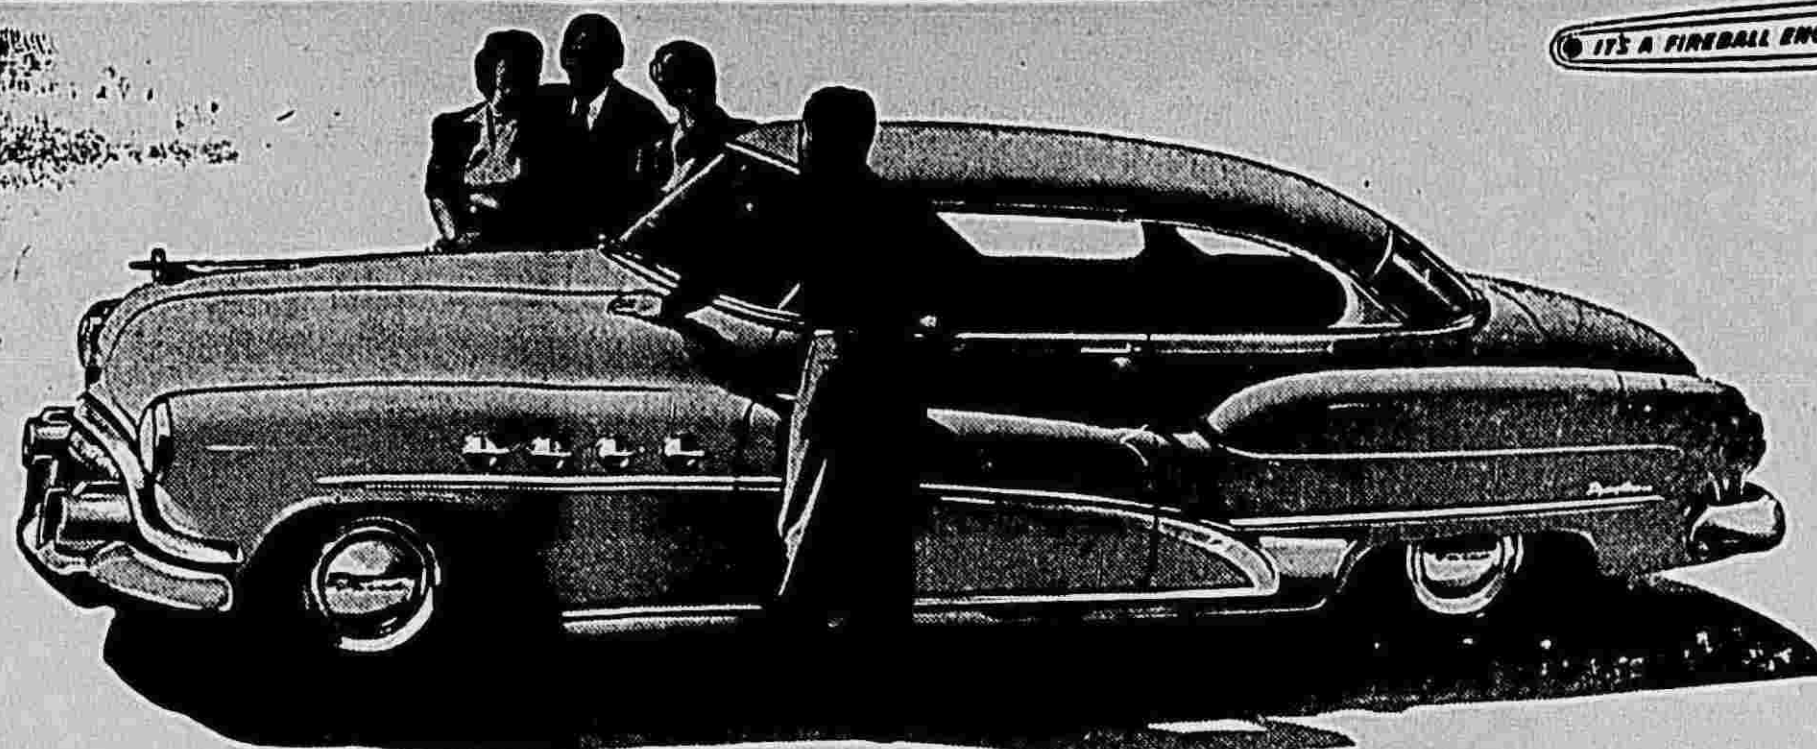

Celery leaves or even the ordinary outer leaves of cabbage, shredded fine, may be used as a successful garnish substitute when parsley is not available.

Relishes

Any foods from pickles to jam and from cottage cheese to raw vegetables may be used as relishes for a main meal.

"Thousand Miller"

In railroad parlance a "thousand miler" is a starched blue shirt with attachable starched collar, worn quite universally by railroad men.

"Some day I'm going to own a Roadmaster"

One thing that interests us mightily is the fact that so many people are stepping up, when they buy automobiles.

We've been looking at surveys, and it seems that just about everyone wants a better car than the one he's now driving.

So we know how you feel, and we'd like to help you make your dreams come true.

We'd like you to discover how fine a fine car can be.

We'd like you to stretch out in the room of a ROADMASTER—feel the luxury of its double-depth cushions—stroke the fine texture of its fabrics.

We'd like you to know the proud levelness of its ride—and its gentle obedience to your hand on the wheel.

We'd like to show you the many extras this custom-built Buick provides—at no extra charge when we come to make out a bill of sale.

But above all, we'd like you to experience two thrills found exclusively in ROADMASTERS.

One is the smooth might of its Fireball Engine. The other is the supreme simplicity of Dynaflo Drive, which is, incidentally, one of the many features included in the price.

We try to hold down our enthusiasm in talking about this masterful beauty.

We might claim—you'll find more room—more comfort—

more luxury—a smoother ride—more conveniences—more thrill in a ROADMASTER than in any other car in the fine-car field.

But why spoil the thrill of discovery? Come find out for yourself how completely a 1951 ROADMASTER fulfills the dreams of the car you hope sometime to own.

And let us whisper something to you: The cost of making this step to ROADMASTER ownership is less than most people believe.

Equipment, accessories, trim and models are subject to change without notice.

New Channel Lake Cubs Receive Awards, Plan Playground Activities

New Channel Lake Cubs

Newly formed Channel Lake Cub Scout Pack 86, had its second pack meeting May 18. Indian lore was the project for the month, and many interesting projects were displayed. A bobcat ceremony was performed, at which time the following boys received awards. Bobcat pins were awarded to Edward Heath, Kenneth Heath, Roy Sulter, Barry Van Patten, John Hucker, Glen Sledschlag, Donald Pyle, Elmer Eberman, Wayne Dowell, Peter Zeien, Clifford O'Berg, John Wells, John Weldin, Patrick Sullivan, James Portalski, Daniel Runyard.

Wolf awards were presented to Philip Case, Dan Seyfarth, Richard Jonas, and Norman Palenski. Richard Jonas and Norman Palenski were also each awarded one gold and one silver arrow.

Two Bear awards were presented, one to Robert Reed, and one to Gene Rudolph.

Channel Lake is very proud of the enthusiasm shown toward cubbing. Twenty-four boys for Cub Pack 86, which is nearly 100 per cent of the eligible boys in this area. This is divided into five dens, whose den

mothers are Mrs. Leonard Case, Mrs. Ray Van Patten, Mrs. Irving Jones, Mrs. Paul Zeien, Mrs. Elmer Rudolph and Mrs. Leslie Sullivan are den mothers for Den No. 5.

The following five men form the committee: Ray Van Patten, cubmaster; Clarence Pyle, assistant cubmaster; Frederick Thies, chairman; Elmer Eberman, representative; and Arthur Palenski, publicity. Playground activity is planned for the summer season.

Naval Cadet Philip M. Burke, USN, son of Mrs. E. Fox, Bristol, Wis., completed the Advanced Training phase as a student carrier pilot at the Naval Auxiliary Air Station, Cabaniss Field, Corpus Christi, Texas, this week. He received his orders to report to the Naval Air Station, Pensacola, Fla., for Carrier Qualifications. There he will complete the final stage of his Naval Flight Training making actual landings aboard an aircraft carrier, be presented with Navy Wings and designated a Naval Aviator.

Burke, a graduate of Antioch Township High school, entered the Navy in 1947 at Chicago, Ill. He received his Primary and Basic Flight Training at Pensacola, Fla., prior to reporting to Cabaniss Field. Cabaniss Field is the Navy's Advanced Flight Training Base for student

carrier pilots. There they are taught to fly carrier-type aircraft such as the AD Skyraider (currently used by the pilots of the Seventh Fleet in the Korean conflict).

Springfield, Ill., May 19—Secretary of State Edward J. Barrett has announced a change, effective immediately, in the processing of state

driver licenses. In the future data on the license will be in white on a black background. At present, the wording appears in black on a white card.

The change, Mr. Barrett said, was made for purposes of efficiency and to lessen the opportunity for fraudulent use of licenses. The new process will eliminate a complete work

operation and speed up issuance of licenses.

The black on white card has in the past, according to law enforcement officers, made it easy for minors to change the data to advance their age and many criminals found it convenient for the purpose of concealing their identity. A white on a black card is expected to make it almost impossible to alter the new license.

Dolores Gutowski Becomes Bride of Melfred B. Stillson

Dolores Lorraine Gutowski, daughter of Mr. and Mrs. Bernard Gutowski, Grass Lake, and Melfred Benser Stillson, son of Mr. and Mrs. M. M. Stillson, 1049 Spafford St., were united in marriage in a double ring ceremony at St. Peter's church, Saturday, June 2nd, at 2 p. m. The Rev. F. M. Flaherty officiated at the service. The bride who was given away by her father wore a gown of eggshell floral applique organza, with long wrist pointed sleeves, sweetheart neckline, and eight foot train. The fingertip lace trimmed veil was fastened to a bonnet type headdress trimmed with orange blossoms. The bride's bouquet was of white roses. Her three strand pearl necklace and bracelet were gifts from the groom.

The Maid of Honor was Miss June Shepherdson, of Sioux Falls, So. Dak., cousin of the groom. She wore a pink lace and net gown and carried a spray of iris and bridal wreath.

The bridesmaids were Miss Shirley Mani, Grass Lake, friend of the bride and Miss Diane Swanson, of Franklin Park, cousin of the bride. Both wore green net gowns and carried sprays of iris and bridal wreath with bridal wreath headdresses.

The three attendants wore gold chokers, a gift from the bride.

The ring-bearer Patsy Gutowski, 4 year old sister of the bride, wore a pink organza gown and carried a heart shaped pink pillow on which were tied the two rings.

The flower girls were Barbara Gutowski, 9 year old sister of the bride and Dee Stillson, 7 year old sister of the groom. They wore yellow eyelet and organza gowns with white eyelet trim, and white eyelet gloves and carried pink baskets of pansies and other flowers.

The three little girls wore necklaces and bracelets, gifts from the bride.

The best man was Robert Small, of Chicago, formerly of Antioch, friend and high school classmate of the groom.

The ushers were James Kennedy, of Antioch, lifelong friend and classmate of the groom, and Bernard Gutowski, brother of the bride.

The mother of the bride wore a brown figured dress, her corsage was a talisman rose. The mother of the groom wore a dusty rose lace and crepe dress with hat of white lace and taffeta, white accessories and a corsage of talisman roses.

A reception for relatives, classmates and close friends was held at the home of the bride's parents at Grass Lake. A beautifully decorated wedding cake adorned one table, in the center of the gift display table was a large doll gowned in exact duplication of the flower girls.

Melfred is a graduate of Antioch High school and has been attending Northern State Teacher's College at De Kalb.

The couple will reside in De Kalb after returning from their wedding trip.

On their trip they will visit relatives at Waterloo and Fort Dodge, Iowa, and will be at the home of Melfred's grandparents, Mr. and Mrs. R. F. Benser, Volin, So. Dak., where a reception is planned for them. They will visit Melfred's grandmother and other relatives at Madison, Mitchell and Sioux Falls, So. Dak.

FINAL CLASSES AND BREAKFAST AT ST. IGNATIUS'

The Church School term ends this Sunday, June 10th, at St. Ignatius' Episcopal church, with the 9:30 celebration of the Holy Eucharist, followed by breakfast served under the direction of Mrs. Laurel Van Patten, Vice-president of the Woman's auxiliary, in the basement of the parish hall.

Despite the discontinuance of classes, attendance of children on Sundays during the summer will be recognized by the award in the fall of a sacred medal. Beginning July 1st, the summer schedule of services will be 9:30 and 11:00 a. m. with celebrations of the Eucharist at both hours.

Parents are urged to register their children this week for the Summer Camp held at St. Andrew's, Grayslake, July 2 to August 3rd.

There will be no 11 a. m. service at St. Ignatius' this Sunday, June 10th; the clergy in the area are participating in the Ordination to the Priesthood of the Rev. Jon Smedberg, Deacon in Charge of St. Andrew's Church, Grayslake, to be held in St. Lawrence's Church, Libertyville, at 11 a. m.

PUBLIC CARD PARTY SATURDAY, JUNE 9

Mrs. Mollie Somerville, entertained the members of her pinochle club at her home Tuesday afternoon, at a desert luncheon. Card prize winners were Mesdames Simon Simonson, C. E. Hennings and Robert Jackson.

Mary Anne Spears, Raymond J. Horan Are Wed in Church

In a double ring wedding ceremony Saturday, June 2, Miss Mary Anne Spears, daughter of Mr. and Mrs. John Spears of Salem Township, and Mr. Raymond J. Horan, son of Mr. and Mrs. John L. Horan of Antioch, were united in marriage by the Rev. Fr. Roberts E. Ehrigott at St. Ignatius Episcopal church, Antioch.

The bride, given in marriage by her father, wore a gown of white satin with long train. Her fingertip illusion veil in chantilly lace had a crown headpiece of satin and seedpearls. Her flowers were white roses and orchids.

Mrs. Romana Crandall, bridesmaid, was attired in a floor length gown of orchid net over white satin, her flowers were yellow tearoses.

John W. Horan was his brother's best man. Leonard Meyers served as usher. The bride's mother was attired in brown net and her flowers were pink carnations, and the groom's mother wore red. Her flowers were white carnations.

After a reception held at the Guild hall the young couple left for a short wedding trip after which they will make their home in Salem township, where they have recently completed a new home.

STANLEY ROBIS TRIAL CONTINUED

The trial of Stanley Robis, Spring Grove mechanic, has been continued until July 9. Robis was charged with reckless homicide manslaughter and assault with deadly weapon in the death of Mrs. Della Duckwitz, 74, of 482 Orchard street December 12.

Sgt. Maurice Edwards, son of Mr. and Mrs. Warren Edwards, arrived home from Germany, Saturday for a months furlough. Maurice has been stationed in Germany for the past forty-two months. Following his furlough he will go to South Carolina.

POT LUCK DINNER

Pvt. John D. Irving Becomes Army Leader

Ft. Leonard Wood, Mo.—Pvt. John D. Irving, husband of Mrs. Jean Ann Irving of Depot Street, Antioch, recently graduated from a special leadership school conducted here by the 6th Armored Division for the purpose of developing selected personnel to become troop leaders and effective basic training instructors.

Emphasis during the course is placed on leadership, methods of training inductees on preparing and conducting instruction periods. Graduates of the school will be sent to training units as instructors or to line outfits as replacements.

Some of the graduates will be given the opportunity of attending Officers' Candidate schools.

Prior to his induction into the Army last December, Irving was employed as an assembler by the Nash Kelvinator Corporation in Kenosha. He is a 1946 graduate of the Antioch High School.

Final Report Made on Antioch X-Ray Survey

The results of the recent chest x-ray survey in Antioch were released today by Richard Whitacre, Member of the Board of Directors of the Lake County Tuberculosis Association. The Christmas Seal Mobile Chest X-ray Unit was in the city on April 20th.

Exactly 223 persons received free chest x-rays in this survey and five have been asked to report to the association's free chest clinic for further study and examination because of suspicious shadows on their films, Whitacre said. At the clinic, their tests will be made before a diagnosis is given.

Other conditions, such as bone deformities, abnormal heart shadows and pleural conditions were noted on the films also. In these cases the individual was notified of the condition and asked to consult his family physician, who also has a report of the findings.

CARD OF THANKS

I wish to thank all of my friends in Antioch and Lake Villa for the cards and flowers and visits during my illness.

The Mighty Atlas and 'The Thing' to Head Wrestling Card Friday

The Mighty Atlas, world's strongest wrestler and 'The Thing' weird heavyweight with the bizarre appearance, are to clash next Friday night, June 8th, in the Lake County Stadium in Round Lake Park, Ill. The match is to be a sixty minute time limit with a two out of three fall verdict.

A midge wrestling match will be featured likewise on the all star card. Sonny Boy Cassidy and Fuzzy Cupid are paired in the bout between the midges.

An exciting Australian Tag team match will be another feature of the all star show. Hombre Montana, the South American Champion and Ramon Cernadas of Buenos Aires, will be teamed against Fritz Schnabel and Bozo Brown. The clash, one of the high lights of the season will be a sixty minute time limit event with a two out of three fall verdict.

'The Thing' who has scored a hit in Chicago rings, has red hair, pink whiskers and black hair on his chest. He carries a mysterious box labeled 'The Thing'. Outside of the arena, 'The Thing' wears a high hat, frock coat and carries a cane. Despite these eccentricities, 'The Thing' is rugged and clever wrestler and figures to give The Mighty Atlas a gruelling match. The latter has ambitions to meet N. W. A. heavy weight Champion Lou Thesz in a title match in the midwest this summer and 'The Thing' has an opportunity to upset the apple cart and grab the match for himself.

The combination of Fritz Schnabel and Bozo Brown against the team of Montana and Cernadas will be one of power against power. Fritz Schnabel is a brother of Hans and comes from a wrestling family of four brothers. Bozo Brown is a tough home-bred. He drove a tank during the last war and has hardened himself through his experiences.

Ever since Montana and Cernadas came to the United States they have been consistent winners. Montana scales around the 330 pound mark while Ramon tips the beams at 240.

Charles A. Anderson Dies Suddenly at Portage, Wisconsin

Charles A. Anderson, who for 27 years made his home in Antioch and Lake Villa, passed away suddenly Monday, June 4 at a Portage, Wisconsin hospital. He became ill suddenly on Friday while on a fishing trip at Buffalo Lake, Wisconsin.

Funeral services will be held Friday, June 8th at 1:30 p. m. at the William Barron Funeral home, 4332 Elston Avenue, Chicago. Interment will be in Acacia cemetery. He is survived by his wife Alice A. (nee Lings), two sons, Elroy A. and Reginald C., one brother Henning Anderson and two sisters, Esther Larson and Mabel Burling and two grandchildren, Joan and Kenneth. Mr. Anderson had been active in Masonic circles in this vicinity, and was a member of Ben Franklin Lodge No. 962 A. F. & A. M. of which he was past master, he was a past patron of Ben Franklin chapter Order of Eastern star, member of Irving Park chapter 795 R. A. M., St. Elmo Commandery, No. 65 K. T. also Consistory of Medinah temple.

Antioch Acorns 4-H Meet
The Antioch Acorns 4-H club held its fifth meeting at 2 p. m. Tuesday at the home of Mrs. Jess Sobey, the leader. A swimming party was planned for June 12 at Lake Catherine. Donna Masopust, and Sheryl Mair gave talks on fire prevention. Entertainment was furnished by Arlene Cribb who played the accordion.

Uncle Sam Says

The Independence Savings Bonds Drive which continues until July 4 offers you the opportunity of a lifetime to "build your future according to plan." Right now you can adopt and follow a plan that will make your future dreams come true. The idea is "Save for your Independence"—buy U. S. Savings Bonds. The Independence Drive is your opportunity. There are two safe and sure ways of carrying out that plan, the Payroll Savings Plan where you work, or if self-employed, the Bond-A-Month Plan at your bank. So, when you get ready to build that house, take that trip, or educate your children, the money will be waiting for you; piling up at the steady rate of four dollars for every three dollars invested in ten years.

Lois Lonergan is Selected For Girls' State This Year By Am. Legion Auxiliary

Lois Lonergan, daughter of Mr. and Mrs. John F. Lonergan, a junior at Antioch Township High School has been selected by Antioch Unit No. 748, American Legion Auxiliary, in cooperation with R. C. Edmondson, principal of the school, to attend the eleventh session of Illinois Girls State which will again be held at MacMurray College, Jacksonville, Illinois from June 19 to 27, 1951.

Four hundred and thirty-two girls will be enrolled this year, chosen from among the junior students of Illinois high schools, for their outstanding leadership, character, courage, honesty, cooperative ability and scholastic standing.

The purpose of Illinois Girls State is to provide citizenship training for Illinois girls, to afford them an opportunity to live together as self governing citizens and to become informed about the duties, privileges, rights and responsibilities of American citizenship in order that they may understand and participate in the functioning of our government.

The girls selected will live in a miniature state patterned after the State of Illinois and following Illinois governmental procedure as closely as possible. Girls State exemplifies the two party system, although they have no connection or reference to the existing political parties. The program is political in that it teaches the functions of political parties in our national life, and is entirely free from partisan propaganda. The two political parties are the Federalists and Nationalists.

The citizens create the government units, city, county and state, elect officials and conduct the affairs of government.

Salvation Army Tags To Be Sold in Antioch

Salvation Army Doughnut day will be observed next Tuesday in Antioch.

The annual campaign to raise money for institutions of the organization and permit them to aid unwed mothers will be conducted on Antioch streets through sale of doughnut tags.

Mrs. H. B. Gaston, who had charge of the campaign last year, will again be in charge this year and is asking volunteers to sell tags.

Permission to sell the tags was given last evening by the village board of trustees.

Representative Report

This column of Legislative comment is written especially for the Antioch News by Rep. Harvey Pearson, eighth district representative Republican, in the Illinois general assembly.

Time is getting short for the Illinois legislature, and many important bills are still in committee, a long way from a vote.

One of these is the truck license fee increase, which senate passed a month ago. It's been before the house motor vehicles committee ever since and should be reported out this week.

This measure would make the truckers pay their fair share of maintaining our highways. Unless it is passed, I don't see how we can vote higher gas taxes. I will certainly not vote to saddle motorists with any more of the highway burden until we bring the truckers into line.

A 75-cent minimum wage bill, which would put Illinois in line with federal wage laws, is also bottled up in committee. Last week we defeated an unfavorable recommendation, but before we could vote on a motion that the bill "do pass," lobbyists against it had called enough members out of the meeting so that it could be broken up by a quorum call.

The house passed several good bills this week. One was a senate-approved revision of the regulations applying to optometry, with a ban on price advertising by members of that profession.

We also approved bills which will allow home rule on the establishment of tax rate limits. Until now the legislature has done that, on temporary basis only. Those bills give city, county and school district governing boards power to set their own rates. Taxpayers still have the protection of referendum requirements.

We turned down a senate bill to abolish permanent election registration in small counties. Many of us opposed it on grounds the law has worked well in preventing election frauds, and we feel it is necessary, especially in areas near cities which are controlled by machine politics.

I have had several conferences with state Agriculture Director Roy Young recently, asking him to commission a veterinarian in McHenry county to do the department's testing of cattle. This would be a great convenience to northern Illinois farmers, who must now send specimens to Chicago for testing. The plan should go into effect in the near future.

Lens Grinding Shop May Be Moved Here By Chicago Resident

William P. Barker, Chicago optician, was given the go-ahead nod of the village board Tuesday evening to establish a combination residence and lens grinding shop on Orchard st., west of the Herman property.

Barker told the board he didn't want to proceed in buying property and putting up a building if there were zoning restrictions. He said lens grinding is so noiseless that he would not be able to hear the process in his adjoining apartment. The building, which with the property would entail an expenditure of \$32,000, would be on a hillside so that the basement would have windows at the rear.

Six women would be employed, he said.

Barker said he wants to move his business here from 6444 N. Talman ave., Chicago.

Trustees saw his main problem as that of parking for his employees.

Catherine Cable Made Executive Secretary of Lake County TB Assoc.

Dr. Theo. S. Proxmire was reelected president of the Lake County Tuberculosis Association recently. Marshall Schroeder of Prairie View and Arne Makela of Libertyville were elected first and second vice presidents respectively. Mrs. Minnie E. Hulise was reelected secretary and Harold Stevens was reelected Treasurer.

Miss Catherine Cable, R. N., for the past eight years clinic nurse for the association, was employed as executive secretary to replace Charles C. Macnamara, who has been recalled to active duty in the Navy.

Wheatland Residents Still . . .

(Continued from page 1)

of Kenosha County. We feel we are getting the same treatment from the Officials at Madison as we received from our County School Committee. While the County School Committee claims to fulfill the wishes of the people, their actions prove the opposite. In our case they have received the blessings of the State Department but not of the people of Wheatland township. We are still living in America where the wishes of the people are supreme even though there are elements who would like to be our masters. The field of education will have to be zealously guarded as well as other branches of our economy lest inroads will be made which can lead to losing our freedoms.

It appears that all over the State of Wisconsin similar situations have been and are developing and that likewise in these cases the wishes of the people are sidetracked. We asked that each member of the Legislature make a careful and immediate study of this and other cases and hastily pass legislation to stop this concentration of power in the hands of a few. In the meantime the people of Wheatland Township will continue to fight for their freedom.

Harold J. Weiler, attorney for the electors of the Town of Wheatland who are opposed to being included in the Central High School was quoted as saying, "It is our position that good and healthy schools are a must to our way of living, but the creation of them has failed and all our good intentions are naught. We must use the American way where the minority is respected, and their opinions given fair hearing and consideration."

Rent Advisory Board Important to Control

The local Rent Advisory Board plays an important part in carrying out the Federal Rent Control program in Lake County, says Mr. Harold B. Jacobson, Acting Associate Area Rent Director.

Composed of unpaid citizens of the community, they devote a great deal of their time to developing a better understanding of the law on the part of landlords and tenants alike, to arriving at just and equitable decisions in individual cases and to improving the local administration of rent control.

The Board members are: Rev. Wayne C. Clark, Chairman; Elton R. Vick, Charles H. Whyte, Jr., David L. Turner and Albert T. Smith. The Board has done a magnificent job by their participation in the most difficult controversial cases resulting in full satisfaction to both landlords and tenants.

Free Inspection Offered By U. S. Coast Guard On Lake Area Boats

An inspection department has been set up at Fox Lake by the United States Coast Guard auxiliary in its attempt to protect boatmen on the Chain of Lakes.

Free inspection is offered in this safety measure and the guards will be glad to issue certificates of inspection to boat owners at any time. If the boat meets the requirement, a sticker showing this fact will be presented to the owner.

If the boat doesn't meet the standards, the inspector will recommend changes.

The Coast Guard auxiliary which has its headquarters in Fox Lake,

said today that it hopes this summer, boat owners, particularly speed boat owners, will follow the rules of safety which have been set up in the past. They mentioned that in previous years lives have been endangered by speed boats carelessly racing through the narrow channels and row boaters neglecting the rules of the right of way.

They warned that unless boat owners become conscious of safety by obeying the rules deputies will be empowered to restrict their travel on the lake.

Mrs. Martha Barthel, 53 Dies at St. Therese Hospital

Martha M. Barthel, 53, Salem, Wisconsin, died at St. Therese hospital Tuesday morning May 29, of injuries received in an automobile

accident. Mrs. Barthel was born January 22, 1898 in Chicago and made her home there until coming to Salem ten years ago.

Survivors includes her husband, Fred Barthel, two sons, Charles F. Salem and William E., of U. S. Navy; three daughters, Mrs. R. L. Perry, Kenosha, Mrs. Lowell Strauss and Ruth, of Salem; two grandchildren,

and two brothers, John Bruckner, of Chicago and Carl Bruckner of Waukegan.

Funeral services were held at 2 o'clock Friday at the Strang Funeral home. The Rev. E. D. Hulse, of Salem, officiated. Interment was in Hillside cemetery.

American Vet. Committee To Take Poll of Voters' Views in 13th District

A North Shore veteran organization this week began sending out questionnaires for a cross-section sample of voter opinion on vital issues. The survey by radio commentator Fulton Lewis, published recently by 13th District Congresswoman Marguerite Stitt Church, was not typical of all voters within the District, officials of the American Veterans Committee charged.

"Only those had the questions who listened to Mr. Lewis," Mrs. Church explained last week to officials of the North Shore AVC chapter, "a fact which should be and undoubtedly is realized both by those participating and those who, like ourselves, read the results."

Challenged by the AVC group as "unrepresentative" were Lewis' figures which indicated most persons polled were opposed to military training and economic aid to Europe, while favoring impeachment of President Truman by a 40 to 1 ratio.

"Our poll is being mailed by reply postcard to an impartial cross-section of voters," stated Howard Kraus, Glencoe, chairman of the AVC chapter. "Names being polled are those under letters 'G' and 'H' of the suburban telephone book, taking from each column the first name with a 13th Congressional District address."

The AVC questions will be limited to five of the key issues posed by Lewis, Kraus said, plus a query on General MacArthur's plan for war against China.

Equalizes Lead

Nickel is employed as an addition for equalizing the distribution of lead in bearing bronzes and for improving their mechanical properties.

Forest-Minded Youngsters

In 1948 the youth auxiliary of the Keep Oregon Green association had a membership of 18,000 youngsters, all intensely aware of the need and means for forest protection.

Left-Over Vegetables

Left-over vegetables — including snap beans, lima beans, corn, peas, and carrots — can be saved and served again with a tasty cheese sauce.

Forbidden Fruit

Back in 1750 the grapefruit was first mentioned as "forbidden fruit" and not until 1814 was the name "grapefruit" used. For another 50 years it was grown as a curiosity.

Gasoline Motor

With SAE 20 oil, it takes two and a half times as much power to turn over a gasoline motor at zero temperature than at 80 degrees.

Oregon Forest Products

Eighty per cent of the entire revenue tonnage of water carriers originating in Oregon and Washington is forest products.

Uncle Sam Says

This Memorial Day remember those you loved by remembering those you love—make your child's future bright with the promise of financial independence by enrolling him during the U. S. Savings Bonds Independence Drive. Then automatically, your bank or your place of employment will see to it that his pile of Savings Bonds grow and grow. Each \$3 you invest for him today will in ten years return him \$4. By this simple method he will be financially able to pay for an education, to start in business, or perhaps to build his own home. You owe it to your family to enroll, NOW, for the Payroll Savings Plan where you work, or if self-employed, the Bond-A-Month Plan at your bank.

FirePower
ACCEPT NO SUBSTITUTES

because
there
aren't any!

Chrysler's new FirePower engine has rocked the automobile business right down to its roots.

Quietly, behind all the laboratory talk of "engines of tomorrow" . . . Chrysler has built a revolutionary engine for you to drive today!

It can give you 180 horsepower, to surpass any other engine in any other car. It develops its power in its own new kind of way!

But you don't have to "baby" it . . . or give it fancy quality gasoline to get that 180 horsepower performance!

FirePower takes any regular grade gasoline you care to buy . . . and adds its own new "mechanical octanes" to the power-giving octanes of the gasoline itself.

The result is something new and startling in responsiveness . . . and in safety, too. You get quicker and smoother control of when and how you move than you have ever felt before.

It's the engine of tomorrow . . . on the road for you today . . . and your Chrysler dealer invites you now to try it, in the all-around most astonishing new car you ever drove!

180 HORSEPOWER

Here's the new Hemispherical Combustion Chamber that's the heart of Chrysler FirePower. Its new, designed-in "mechanical octanes" make regular grade gas do what best premium grades can't do in any other engine you can drive today!

Chrysler FirePower

Finest engine
ever put
in an automobile

A&P Values Give Your Food Dollar More Buying Power!

Customers' Corner

Most of our customers don't know all the details of the O.P.S. regulations concerning food prices. After all, there are quite a few of these government rules, and some of them are very involved. But we can assure you that the men and women of A&P are whole heartedly living up to the letter and spirit of these orders as they apply to our operations.

So now, as always, you can buy at A&P with confidence that you will get the same high quality food to which you have been accustomed; and that you are being charged the correct price and getting full weight.

If there are ever any doubts in your mind, please let us know, and we'll be glad to clear them up. Please write:
